

# 2024 International Innovation Forum “One Health: Biodiversity Conservation & Integrative Bioinformatics” @ One World, One Health International Forum, November 16-17, Wenzhou, China

Hosted by Wenzhou-Kean University, Venue: Ouhai Olympic Sports Center

Welcome to WYSS 2024, the “One World, One Health” International Forum, 2024 International Innovation Forum “One Health: Biodiversity Conservation & Integrative Bioinformatics (BC&IB)”, a satellite meeting of the 18th International Symposium on Integrative Bioinformatics (<http://www.imbio.de/#/ib2024>).

## Topics & Agenda

- ◆ One Health
- ◆ Public health
- ◆ Infectious diseases
- ◆ Non-communicable diseases
- ◆ Zoonotic diseases
- ◆ Epidemiology
- ◆ Drug discovery
- ◆ Health informatics
- ◆ Clinical research
- ◆ Precision medicine
- ◆ Biodiversity
- ◆ Conservation biology
- ◆ Environmental health
- ◆ Wildlife health
- ◆ Agriculture
- ◆ Food safety
- ◆ Epidemiological modeling
- ◆ One medicine
- ◆ Public policy
- ◆ Integrative bioinformatics
- ◆ Genomics
- ◆ Proteomics
- ◆ Metabolomics
- ◆ Systems biology
- ◆ Machine learning
- ◆ Artificial intelligence
- ◆ Big data analytics
- ◆ Data integration

## Important Dates

- |                        |                                   |                      |                  |
|------------------------|-----------------------------------|----------------------|------------------|
| ◆ 1 October 2024:      | Speaker confirmation              | Nov. 16, 14:00-14:40 | Opening Ceremony |
| ◆ 1 October 2024:      | Last date for early registration  | 14:50-17:00          | Keynote Session  |
| ◆ 16-17 November 2024: | Conference / Forum / Social event | Nov. 17, 9:00-12:00  | BC&IB Talks      |
|                        |                                   | Nov. 17, 14:00-16:00 | Social Events    |

## Organising Committee

- |                     |                                     |
|---------------------|-------------------------------------|
| Aloysius Wong       | Wenzhou-Kean University, China      |
| Bjroen Sommer       | Royal College of Art, UK            |
| Eric Yixin Yang     | Wenzhou-Kean University, China      |
| Falk Schreiber      | University of Konstanz, Germany     |
| Geok Yuan Annie Tan | University of Malaya, Malaysia      |
| Ming Chen           | Zhejiang University, China          |
| Ralf Hofestädt      | University of Bielefeld, Germany    |
| Vladimir Ivanisenko | Russian Academy of Sciences, Russia |
| Yuriy Orlov         | Sechenov University, Russia         |
